

Chula Vista High School Mission Statement

The mission of CVH, an academic and artistic community that celebrates its traditions, spirit and diverse culture, is to ensure all students realize their highest aspirations through a system distinguished by:

- Exciting, unprecedented opportunities for student involvement
- Creative and artistic expression
- State-of-the-art technology
- Academic rigor across the curriculum fostering lifelong intellectual curiosity
- A climate of respect, fairness, equality, and security promoting individual confidence and responsibility
- A culture of collaboration between school, family, and community
- A proactive network of student support

Objectives:

Each CVH student will graduate and succeed in post secondary education and their career choice, fulfilling his/her highest aspirations.

Each CVH student will exceed curriculum standards in every subject area.

Each CVH student will embody the tradition, spirit and diverse culture of Spartan life.

Tactics:

I. We will expand existing support systems and create new systems to ensure student success and well being.

II. We will welcome and strengthen family and community involvement.

III. We will integrate and utilize state-of-the-art technology throughout our Spartan community.

IV. We will provide a challenging, diverse curriculum through effective and innovative instructional practices to ensure student achievement.

V. We will engage all students in activities that develop their character, interpersonal skills, and sense of self-discovery.
