*Two minutes of tech: For a maximum of 2 minutes we ask that our students are allowed to post or send a message that is nice, positive or kind. The focus is to spread positivity, build a stronger community within our school, show our students how easy it is to be nice, make people smile, and encourage kindness on social media. Many students deal with cyber bullying and we wish to encourage a friendly social media environment.

Additional Items during Kindness week:

- ›Posters and bulletin boards around campus with kindness acts/challenges and/or bulletin boards with positive phrases on post-its that people can take what they need or leave what they want to give
- ›Put shoes up again around campus with every student's name
- ›Put post-its on every student locker
- ›Take-one posters- take a smile, positive thought, etc.
