Academics * Attitude * Athletics * Artistry * Attendance

March 1, 2019

Dear Incoming Student,

Welcome to Chula Vista High School, not only the *Home of Spartans* but also the *Home of Champions*. On behalf of our teachers and staff, I would like to officially welcome you to high school and your home for the next four years.

Chula Vista High School puts primary importance not only on the academic and artistic education of our students but also their well-being. We offer a big selection of Honors, Accelerated and Advanced Placement classes, eight (8) pathways for Career Technical Education, and the most extensive selection of arts classes. After all, we are the home of the School for Creative and Performing Arts (SCPA)! We can do this as a result of an innovative schedule that allows you to take eight classes over two days. Not only can you complete SCPA and graduation requirements within the school day (no more "0" or 7th period!), but you can also explore other electives. Our students love this and makes us more unique in this district.

On top of the arts and academics offerings, we also have competitive athletic teams and a very robust After School Program. Our student leadership, the Associated Student Body, has been a gold award winner of the National Association of Student Councils multiple times! There will be something that will interest you at Chula Vista High.

Our Chula Vista High School counselors will be meeting with you either here or at your current school to help you select your classes. Please listen for announcements at your school as to the dates and times of their visit. Also enclosed are the following information to help you prepare for your transition to what will be the most memorable time before you move on to career, military service, work or college:

- Course descriptions of electives
- Gear Day/Orientation dates and information

You will also be receiving a separate mailing on Online Registration (OLR) information to complete your enrollment process.

We have strong traditions and spirit at this school. I invite you to watch a video about Chula Vista High School at <https://www.youtube.com/watch?v=kJMEEC2sguY&feature=youtu.be>

The first day of school will be Monday, July 22, 2019 at 7:30 A.M. It will be a regular school day. We look forward to having you and we thank you for choosing CVHS.

Sincerely,

Ms. Mary Rose Peralta
Principal
